

Ostannij Ukrainian (PTJN) - Whitepaper

Introduction

Ostannij Ukrainian (PTJN) is a meme coin with a serious mission - to support the Ukrainian army in its fight for freedom and independence. Inspired by Patron, the legendary bomb-sniffing dog, PTJN is a digital tribute to Ukrainian resilience.

Mission

"One token - one dollar - one Ukrainian."

Our goal is for each Ukrainian to symbolically own \$1 in the form of 1 PTJN coin. We aim to raise global support through crypto to fund defense and humanitarian needs during the war.

Tokenomics

- Total Supply: 45,000,000 PTJN
- Ticker: PTJN
- Standard: SPL Token (Solana Standard)
- Distribution:
 - 10% Initial Airdrop to 50 individuals
 - 90% held by the creator for transparent donations to Ukraine's military
- No taxes, full transparency. All funds are traceable on-chain.
- Blockchain: Solana (initial launch)

Why It Matters

PTJN is:

- A symbol of resistance
- A meme with a purpose
- A community-driven tool to unite Ukrainians and allies through crypto

Roadmap

Q3 2025:

- Website launch, whitepaper release, initial airdrop

Q4 2025:

- First donation to military, DEX listing, NFT drop

Q1 2026:

- DAO voting system, community expansion

Q2 2026:

- Merch launch, major marketing, \$1 push

Transparency & Security

- All donations will be recorded on-chain
- Monthly donation reports published on the website and social media
- Creator identity and donation wallet are public for maximum trust

Disclaimer

PTJN is not a financial instrument. It offers no guarantees of profit. Its sole purpose is to serve as a crypto-powered donation tool to aid Ukraine's military and humanitarian efforts.
